

## **Chapter 1 — Introduction**

Motivation, research questions

## **Chapter 2 — Literature Review**

Prior work, research gap

## **Chapter 3 — Data**

Study area, sources, data quality

## **Chapter 4 — Methodology**

Models, features, experimental design

## **Chapter 5 — Results**

Benchmark, RQ1 ablation, RQ2 counterfactual

## **Chapter 6 — Discussion**

Interpretation, limitations

## **Chapter 7 — Conclusion**

Summary, contributions, future work
